Dear Steve,

On behalf of the Desert Mountain Club, we would like to share with you what a pleasure it continues to be working with you and your staff. Partnering with you has not only given us great insight into the marketing of our memberships, but has also proved to be a valuable asset as we move forward with the program that has been uniquely tailored for our Club.

From our first introduction, to the many follow up telephone conversations, you have been an extension of our team in a patient and professional manner. In addition to the business advantages of partnering with you and Creative Golf Marketing, a special friendship and camaraderie has been established.

We would like to thank you for the ongoing efforts to move forward with the Membership Preview Agreements. If we can be of any assistance to you or if you need a professional reference for your upcoming clients, please let us know.

See you again this fall.

Sincerely,

*Tom*
