Dear Steve:

Just a short note to let you know the results of our Ambassador Program here at Harbour Trees Golf Club.

Our goal at the beginning of the program was to attract 25 golf members and 25 social members. Our Board of Directors and Management Staff were thrilled with the results of 32 new golf members and 30 new social members. Our initiation fee budget will be over budget for the first time in many years.

The unique part of the program that is very helpful to me as the club's General Manager is that our new members get accustomed to the club much faster than usual because they have a circle of friends to socialize with when they join the club. We have lost members in the past because they did not get to meet as many members as quickly as they would have liked.

I would like to thank you and everyone at Creative Golf Marketing for your professionalism, courteous service and the materials you sent to our members were first class. Again from everyone here at Harbour Trees Golf Club, thank you for a job well done. I would be happy to answer any questions of any other club representatives that are considering using your company. Please contact me at 317-877-3612.

Sincerely
