Dear Mr. Hartman,

I would like to thank you and your staff at Creative Golf Marketing for dedicating your time and efforts into your "Ambassador Preview" program here at Sunnyside Country Club. This was our largest membership drive bringing in approximately sixty new members to our club. Sunnyside Country Club's membership was very happy with the success of the program.

We all appreciated your efforts to make this membership drive very successful. Everyone at Creative Golf Marketing was very professional and helpful when we had questions about the program.

Sincerely,

Tracee Halvorson
Club Manager
