RE: CREATIVE GOLF MARKETING AND MANAGEMENT, INC.

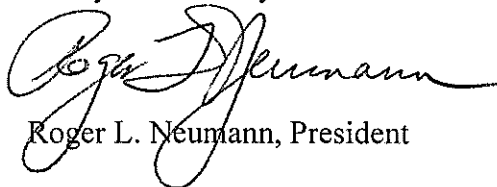

To Whom It May Concern:

Sunnyside Country Club contracted with Creative Golf Marketing in connection with our membership drive for the 2006 year. The program was very successful in creating interest in Sunnyside Country Club. We were able to add fifty-seven (57) new members to the club through the membership initiative created by Creative Golf Marketing.

They were responsive to requests for meetings and were receptive to constructive criticism from the membership. I found them very cooperative and responsive to requests for information or additional meetings. They oversaw the program and met time-lines that they had set forth in connection with the membership initiative. Their membership initiative created additional revenue for Sunnyside Country Club and also created the spark of new members socializing and networking. I can highly recommend Creative Golf Marketing if your club is in need of assistance in gaining new members.

Sincerely,

Sunnyside Country Club
